

WHAT IS A MEAL TO YOU?

At Core Nutritionals, a meal is well-balanced, nutritious, and most importantly, delicious. Yet most "meal supplements" are full of filler carbohydrates, low-grade proteins, and chalky flavor mixtures that have little taste and even less nutrition. We would hate to see the "meals" these supplements are supposedly substituting.

Core MRP is a better solution – a true meal supplement, not a meal imposter. Grain-sourced carbohydrates, not fillers and high glycemic carbohydrates. Rich protein sources from high quality whey and casein, not bottom-of-the-barrel powders. Premium flavors, digestive enzymes, and vitamins and minerals, not whatever else was lying around. Everything your body needs in an instantized, easy-mixing, convenient, and delicious blend. †

DIRECTIONS: Add 2 scoops to 8-16 ounces of cold water (according to preferred thickness and flavor) and shake or stir until mixed. Use 3 scoops per serving if more macronutrients are required. Core MRP also tastes great as a pudding; just add enough water to turn it into pudding consistency, stir together with a spoon, and place in a refrigerator or freezer for 20 minutes. Core MRP is also suitable for use in baking.
