

The essential omega-3 fatty acids (EPA and DHA) produce anti-inflammatory prostaglandins. The richest source of these nutrients are found in fish and fish oil. Omega-Wave is a revolutionary liquid concentrate that allows supplementing fish oil to be safe, easy and enjoyable for all ages. This delicious lemon flavor is naturally sweetened, molecularly distilled and ultra-purified, and tested for mercury, lead, PCB's, and other contaminants. Xylitol is a low calorie sugar from birch trees. Omega-Wave effectively supports Heart, Brain, Bone, and Joint Health without any fishy reflux.[†]

- + **Omega 3s** from fish - nature's most bioavailable source
- + **Ultra-purified** fish oil has been tested for heavy metals and contaminants
- + **Naturally sweetened** with xylitol, a low-calorie sugar from birch trees
