During our youth collagen helps prevent wrinkles from forming, gives skin elasticity and helps create strong, thick hair. As we age, collagen production slows. Peptan®, a high purity, natural, type-I collagen peptide is clinically shown to enhance skin health and hydration with regular use.* Hyaluronic acid, naturally found in the skin also declines with age and helps skin retain elasticity.* Immortelle, known as the everlasting flower, never fades even after it has been picked, has been used in European skin treatments for years.*

DIRECTIONS: For best results, drink one serving per day. Dissolve one packet in 12-15 oz of water and shake well. Please note: it's normal for a small amount of powder to settle on the bottom of the water which may result when using natural ingredients.

WARNING: This product is only intended for healthy adults. 18 years of age or older. DO NOT USE IF PREGNANT OR NURSING. Before using this product, consult a licensed, qualified, health care professional if you are taking any other dietary supplement, prescription drug or over-the-counter medication. Discontinue use 2 weeks prior to surgery. Use only as directed. Do not use if packet seal is broken or missing. Store in a cool, dry place. KEEP OUT OF REACH OF CHILDREN.
