

Pycnogenol® is a naturally occurring complex of flavonoids (OPC's) extracted from French maritime pine bark. A vegetarian sourced antioxidant, our Pycnogenol supplement supports healthy capillaries and circulation. By maintaining elasticity and flexibility of connective tissues, it helps promote smooth skin and joint health. Its water-soluble characteristics ensure excellent absorption.†

Pycnogenol® is a registered trademark of Horphag Research Ltd. Use of this product may be protected by one or more U.S. patents and other international patents.
