Survives Stomach Acid

Probiotic Pearls uses an advanced triple-layer softgel that protects probiotics from heat, air, moisture and stomach acid to maximize survival and delivery to the intestine where needed most.

- Promote **digestive balance and colon health***
- Support your body's **immune defense***
- Protect against occasional **gas, bloating** and **constipation***

Taking Probiotic Pearls™ Acidophilus provides *L. acidophilus* for the small intestine and *B. longum* for the large intestine (colon) to help:

2 Strains for Digestive Balance*
