

Omega-3 fatty acids assist the body's production of prostaglandins, compounds that promote anti-inflammatory activity. As nature's richest source of omega-3 fatty acids, our **Omega Fusion®** Fish Oil in Mango-Peach natural flavor provides the omega-3 fats EPA and DHA, which are essential for the human body and support heart and brain health. Our product is molecularly distilled and ultra purified, and tested for mercury, lead, PCB's, and other contaminants. What's more, it has the same taste and texture of a fruit smoothie, making it perfect for the whole family.[†]

- **Omega 3, 6 and 9** from fish: nature's most bioavailable source
- **Ultra-purified** fish oil has been tested for heavy metals and contaminants
- **Naturally sweetened** with xylitol, a low-calorie sugar from birch trees
- **Smoothie taste and texture**
