

Before The Flow™ soothes and supports a woman's body before her menstrual cycle. When used regularly, this supplement reduces stress and frustration and heightens a woman's sense of well being.*

Intake Instructions: Shake Well. Use for ten (10) to twenty (20) days before your menses. Take 52 drops (2 droppers) once (1x) a day in water or your beverage of choice. For optimal results, use for 3 cycles in combination with After The Flow™.

If pregnant or nursing consult a health care professional. Keep out of reach of children.
