

12:1:1 RATIO LEUCINE LOADED

Leucine

12:1:1

**The Most Powerful
Muscle Building BCAA
Ratio In The World***

**6.2g of Leucine: The
clinically studied dose
in every scoop!**

Isoleucine

Valine

The 3 BCAAs

(Branched-Chain Amino Acids)

LEUCINE
The Muscle Building Phenom

Leucine is by far the most powerful of the 3 BCAAs as it cannot convert to energy. This muscle building superstar is strictly ketogenic, so it is used to trigger muscle protein synthesis (growth).*

ISOLEUCINE
Essential Amino Acid

Isoleucine while essential, is both glucogenic and ketogenic, and can be converted to glucose for energy during your workout.*

VALINE
Essential Amino Acid

Valine while essential, is strictly glucogenic and can also be converted to glucose for energy during your workout.*

GLUTAMINE
Clinical Dose 2.5g to 5g

Glutamine makes up approximately 60% of muscle tissue. It has been shown to act as a powerful muscle cell volumizer, stimulate protein synthesis and decrease muscle protein loss.*

*****Informed-Choice** is a quality assurance program for sports nutrition products. The program certifies that all nutritional supplements that bear the Informed-Choice logo have been tested for banned substances by the world class sports anti-doping lab, LGC.

†Daily Value not established.

Other Ingredients: Citric Acid, Natural & Artificial Flavors, Sucralose, Acesulfame Potassium

ALLERGEN INFORMATION: Produced in a facility that also processes milk, tree nuts, peanuts, eggs, soy, shellfish, fish, and wheat.

CONSULT YOUR HEALTHCARE PROFESSIONAL PRIOR TO USE IF YOU HAVE OR SUSPECT A MEDICAL CONDITION, ARE TAKING PRESCRIPTION DRUGS, OR ARE PREGNANT, OR LACTATING.

Suggested Use: As a dietary supplement, mix 1 scoop with 16 oz of water and consume before, during and/or after training. BCAA Peak™ is best taken in one of two ways: 1. As a preintra workout drink mix. 2. Immediately after exercise and before your post workout shake (Nitro-Peak™ or Mass-Peak™). Additional servings may be used to meet your daily amino acid requirements.
