

The Power of Polysaccharides: Is your Aloe BIO-ACTIVE?

Acemannan Polysaccharide is one of the most important markers of a pure, high quality, and bioactive aloe. It is believed to be responsible for Aloe's healing properties. Desert Delight contains biologically active amino acids, vitamins, minerals, enzymes and **GUARANTEED 10% Aloe Polysaccharides!**

Nearly 700 clinical studies suggest Aloe may benefit:

- Immune Support* • Digestion* • Skin Health*

It is YOUR RIGHT to demand the Aloe Polysaccharide content of your aloe as all aloe is not created equal. Desert Delight uses only the ACTIVaLoo®. The patented process ensures 300% more bioactive Aloe Polysaccharides, the LIFE FORCE of aloe!

ActivAloe™ is a trademark of AloeCorp.
