

Nattokinase 36 mg

Isolated, purified and encapsulated nattokinase, an enzyme derived from boiled soybeans using a selected, patented strain of *Bacillus subtilis natto*. Nattokinase NSK-SD® is vegetarian, non-irradiated, and free of vitamin K2. Each batch is tested to ensure potency. NSK-SD® is a trademark of Japan BioScience Laboratory.

Suggested Use

As a dietary supplement, 1 or 2 softgels three times daily, or as directed by a healthcare practitioner. May be taken with or without food. Take with 8 to 10 oz. of water.

If taken with anticoagulant drugs, use under medical supervision.
Contraindicated in any condition associated with bleeding.
