Essential for Baby's Growth

Vitamin D is essential for infants' healthy growth and development. It helps with the absorption of Calcium and Phosphorus for building strong, healthy bones and teeth.*

The American Academy of Pediatrics (AAP) recommends that infants who are breast-fed or partially breast-fed should be supplemented with 400 IU of Vitamin D daily.*

Baby Sun D-Drops is NON-GMO & FREE of:

Gluten, soy, yeast, wheat, gelatin, dairy, eggs, fish, shellfish, peanuts, tree nuts, sweeteners, artificial flavors and synthetic preservatives.

BABY SUN D-DROPS
Liquid Vitamin D3

BABY SUN D-DROPS
Liquid Vitamin D3
for healthy growth & development*

Directions:

Infants less than 1 year old:
Turn the bottle completely upside down without the need of shaking it. The drop will fall from the hole on the top of the bottle in a few seconds.

Mix one drop daily with milk, juice or other food. Or place 1 drop daily onto mother's nipple or on a clean surface, such as a washed finger or a pacifier, and allow baby to suck for at least 30 seconds.

Keep out of reach of children.

Protect from heat, light and moisture. Store the bottle upright at 15-25°C (59-77°F).

Shake prior to use.

Refrigerate after opening.

Best if used within 3 months after opening.
