Cellulose Powder

Cellulose is an excellent source of insoluble fiber, which is not readily fermented into short chain fatty acids, has no effect on cholesterol levels, and does not feed undesirable bacteria.*

Suggested Use

As a dietary supplement, 1 teaspoon mixed in water, two to three times daily before meals, or as directed by a healthcare practitioner. Sensitive individuals may want to start with less.

This nutrient is of the highest quality and purity obtainable, and does not contain preservatives, diluents, or artificial additives.

Keep in a cool, dry place, tightly capped.
