

Sano-Gastril®

FERMENTED SOY EXTRACT

Soy bean fermented by a special strain of *Lactobacillus bulgaricus* (LB-51). The result is a complex with buffering potential that contains peptides, amino acids and other metabolic substances.

Suggested Use

As a dietary supplement, 1 to 3 tablets chewed or sucked, between meals or as needed, or as directed by a healthcare practitioner.

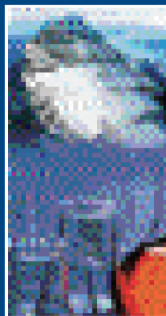

Keep in a cool, dry place, tightly capped.
