

Perm A vite® Powder

Perm A vite® provides large amounts of cellulose fiber and L-glutamine, with additional nutrients including N-acetyl-D-glucosamine, slippery elm bark, and MSM.

Suggested Use

As a dietary supplement, 1 level tablespoon one to three times daily, or as directed by a healthcare practitioner. Mixes well in water or juice. Sensitive individuals may want to start with lower doses and increase gradually. Best taken 1 hour before or after a meal.

These nutrients are the purest obtainable, and do not contain preservatives, diluents, or artificial additives.

Variations in product color may occur. Keep in a cool, dry place, tightly capped.
