

Aller-Aid Formula II

A formulation providing a source of selenium and other nutrients, prepared solely from pure, high-mineral kelp. Originally formulated for persons who are initially unable to tolerate Selenium Solution.

Suggested Use

As a dietary supplement, 1 capsule one or two times daily with meals, or as directed by a healthcare practitioner.

Taking more than 400 µg of selenium per day from all sources should only be done under the guidance of a healthcare professional.

Keep in a cool, dry place, tightly capped.
