

GastroMycin with bismuth salts

A unique blend of bismuth salts with licorice and other plant based supportive nutrients.

Suggested Use

As a dietary supplement, 4 capsules three or four times daily with meals, or as directed by a healthcare practitioner.

Do not use longer than two months without the supervision of a healthcare practitioner.

This nutrient is of the highest quality and purity obtainable, and does not contain preservatives, diluents, or artificial additives.

Appropriate for food-sensitive individuals.

Variations in product color may occur. Keep in a cool, dry place, tightly capped.
