

OcuDyne

Formulated by Jonathan Wright, M.D. and Alan R. Gaby, M.D., OcuDyne contains antioxidants, amino acids, minerals, bioflavonoids, and extracts of ginkgo and bilberry. For additional support, combine with Item #74600 Lutein, or see the advanced formula, OcuDyne II New and Improved, Item #71080.

Suggested Use

As a dietary supplement, 4 capsules one or two times daily with meals, or as directed by a healthcare practitioner.

These nutrients are of the highest quality and purity obtainable, and do not contain preservatives, diluents, or artificial additives

Keep in a cool, dry place, tightly capped.
