

CoQsol-CF™ with Tocotrienols

Contains a crystal-free, patent pending formulation of coenzyme CoQ10. CoQsol-CF™ is completely solubilized in a proprietary matrix, which prevents the CoQ10 from recrystallizing. Also includes mixed tocopherols and mixed tocotrienols.

Suggested Use

As a dietary supplement, 1 to 3 softgels one or two times daily with meals, or as directed by a healthcare practitioner.

Variations in product color may occur. Keep in a cool dry place, tightly capped.
