

Proanthanol

A broad-spectrum formula containing three separate but complementary flavonoid classes: ginkgo flavone glycosides, bilberry anthocyanosides, and grape seed proanthocyanidins. Only standardized plant extracts are used. Our grape seed extract raw material comes from France, and contains not less than 95% total polyphenols, including 83% oligomeric proanthocyanidins.

Suggested Use

As a dietary supplement, 1 or 2 capsules two or three times daily with meals, or as directed by a healthcare practitioner.

Variations in product color may occur. Keep in a cool, dry place, tightly capped.
