† Free Form Amino Acids

These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

DIRECTIONS: As a dietary supplement, mix one (1) scoop (7 g) with 6-8 oz. of water. For best results, use before and after training and consume daily.

WARNING: Consult your healthcare provider prior to use if you are pregnant, nursing, taking any medication or have any medical conditions.

BodyTech's Instantized BCAA Powder provides a precise 2:1:1 ratio of the essential branched chain amino acids: L-Leucine, L-Isoleucine and L-Valine. During times of metabolic stress (such as high intensity resistance training), BCAAs may become fuel for your muscles, help aid in protein synthesis and prevent catabolism (protein breakdown).
