

Steady On

Steady On is a blend of nutrients designed to provide comprehensive general nutrition, along with precursors for the formation of neurotransmitters.* This proprietary blend is available at a fraction of the cost of all of these nutrients taken separately - all in a convenient powder form.

Suggested Use

As a dietary supplement, 1 level scoop one or two times daily, mixed with desired liquid, or as directed by a healthcare practitioner.

Variations in product color may occur. Keep in a cool, dry place, tightly capped.

Product is sold by weight, not volume. Some settling may occur.
