

Heart Matters™ Supplements — A Smart Choice*

In addition to BP Manager™ consider these other high-quality supplements within the Heart Matters line:*

- **Cholesterol Shield™** phytosterol blend
 - Phytosterols and Pantethine help maintain cholesterol levels already within normal range.*
- **Artery Advantage™** circulatory support*
 - Vitamin K2 from natto helps take valuable calcium from the bloodstream & put it into the bones.*
- **HDL Assist™** supplement
 - Supports good cholesterol (HDL) levels.*

Your Heart Matters, and So Do You!

Each of the four products in the Heart Matters suite of supplements focuses on specific health concerns near and dear to the heart.

*THIS STATEMENT HAS NOT BEEN EVALUATED BY THE FOOD AND DRUG ADMINISTRATION. THIS PRODUCT IS NOT INTENDED TO DIAGNOSE, TREAT, CURE, OR PREVENT ANY DISEASE.

BP Manager™ Helps Take the Pressure Off!

Maintaining healthy blood pressure (already within the normal range) can be a delicate balance, so **BP Manager™**, a unique botanical formula, was developed to help support some of the factors that affect blood pressure levels in your body.*

Both stevia extract and olive leaf extract ingredients have separately been shown to support healthy blood pressure levels (already within normal range).*
