The Devil's Claw (*Harpagophytum procumbens* DC.ex Meisn) root (tuber) contains the iridoid glycosides harpagoside, harpagide and procumbine, plus beta sitosterol, sugars and gum resin. This high potency extract is standardized at 5% harpagoside.

**Suggested Usage:** As a dietary supplement, adults take 1 capsule daily between meals, or as advised by your healthcare professional. If digestive irritation occurs, stop using.

Stop use and consult your health care professional if allergic reactions occur. Cautions: Avoid if you have gastric or duodenal ulcers. Avoid if you are pregnant, as it may stimulate uterine muscle contractions. If you are nursing, or if you have gallstones, consult your health care professional before using.

**KEEP OUT OF REACH OF CHILDREN.**  
For optimal storage conditions, store in a cool, dry place.  
(59°-77°F/15°-25°C) (35-65% relative humidity) Tamper  
resistant package, do not use if outer seal is missing.
