Goldenseal root powder	50 mg *
Parsley aerial parts juice powder	50 mg *

*Daily value not established

Directions As a dietary supplement, take 4 servings per day, in divided dosages of one (1) scoop, (5.725g) every 3 to 4 waking hours in water, blueberry or cranberry juice. Do this daily until contents of the jar have been consumed. Drink plenty of fluids. If irritation persists, see your physician.

Invasion of the urinary tract (U.T.) by E. Coli bacteria causes most infections. D-Mannose at doses of 8 to 20g per day has been shown to purge E. Coli bacteria from the urinary tract. To this we add botanicals traditionally used to support urinary tract health.*

Also Available in Vegipure Tablets, 50 count (UTT)
