DIETARY SUPPLEMENT

TRILOGY WOMEN

is daily supplementation simplified. These convenient, everyday, portable power packs contain the top three supplements most highly recommended by health practitioners; a Multivitamin, an Omega-3 Fish Oil, and a Probiotic. Trilogy delivers essential supplements to help you power through the day!

100% Certified Organic Multivitamin Made of annatto, guava, holy basil, lemon and amla water-based extracts. Orgen-Her™ also includes organic iron from curry leaves, making it suitable and beneficial for women by supplying bioavailable, organic iron. In your busy life, it can be nearly impossible to keep a consistently nutritious and balanced diet. Give your body the nutrients it requires and deserves, in a highly absorbable plant-based multivitamin optimized just for you.*

100% Mercury Free Fish Oil (No "Fish Burps") From the purest waters in the world, our Icelandic fish oil provides high potency Omega-3 oils. The oil is molecularly distilled for purity and potency. Omega-3s help keep you at your best, by supporting many facets of health from your heart and brain to shiny hair and nails!*

20 Billion CFU Probiotics from 12 Strains These specific strains are gastric acid resistant, bile tolerant, and help support populations of friendly bacteria. Good bacteria is essential for health because the more of it there is, the less bad bacteria remains. That means enhanced immune health and proper digestion. By assuring a healthy G.I. tract your body is also prepped for absorption and utilization of nutrients from your diet.*

Say "goodbye" to the individual bottles of pills and "hello" to your daily power packs!
