

Natrol® CoQ-10 is a natural antioxidant essential for cells to work efficiently in the heart and throughout the body. CoQ10 levels in the human body decrease with age, making it harder to convert fats and sugars into energy. CoQ10 can be used as part of a daily regimen for heart health.†

Consult your healthcare professional prior to use if you have or suspect a medical condition, are taking prescription drugs, or are pregnant or lactating. People with allergies to soy should consult their healthcare professional before taking this product.

**Store tightly closed in a dry place at 30 to 40% Relative Humidity and 59 to 86 °F (15-30 °C).
Protect from extreme temperatures.
KEEP OUT OF REACH OF CHILDREN.**
