Papaya Fruit (Carica papaya)	
Fennel Seed (Foeniculum vulgare)	
Dandelion Root (Taraxacum officinale)	

*Daily Value not established

Other Ingredients: Capsule (gelatin, water).

Dieter's Cleanse is an essential first step in any weight management plan, for use between programs, or for use by any adult desiring periodic cleansing. Years of improper diet – refined foods, low-fiber foods, and fast foods can cause a build-up of toxic material (anything that is foreign to the body). A common occurrence in the intestines, this build-up can limit the body's ability to fully absorb vital nutrients needed for optimal health through the intestinal walls.*

• **Bowel Detox** (Intestinal Management) provides key nutrients for digestive and intestinal systemic function and balance.*

• **Master Gland Formula** (Glandular Management) strengthens the glands throughout the body that produce hormones essential

for total body health. Hormones influence balance and harmony in all body systems.*

• **Enviro-Detox** (Vital Nutrition) helps cleanse the daily accumulation of toxins from the body and is designed to provide ongoing support to the body's natural cleansing functions.*

• **Liver Cleanse Formula** (Digestive System) nourishes and strengthens the liver, the primary organ for filtering toxic waste.*

• **LBS II** (Intestinal System) supports the production of digestive enzymes and bile to promote healthy colonic bacteria.*

• **GTF Chromium** (Circulatory System) processed foods have little or no chromium; without chromium cells resist insulin and do not absorb the glucose necessary for energy. The liver also uses chromium to manufacture fatty acids, lecithin, cholesterol, and lipoproteins.*

• **SF** (Vital Nutrition, Weight Management) supports the body with adaptogenic herbs for balance. Designed to support the body's weight-management mechanisms, with added benefits for the Urinary and Digestive Systems. Higher quantities of nutrients are required during balancing required for weight management.*

RECOMMENDATION

Take the contents of one (1) AM packet with breakfast, one (1) NOON packet with lunch, (1) PM packet with evening meal with 8 oz of Nature's Spring water daily for seven days. The second-week supply of Dieter's Cleanse can be used during recommended rest periods of other NSP weight-loss programs. This product may also be used by any adult desiring a two-week cleanse. This product could produce a bowel movement during the night or in the morning.

Notice: This product contains cascara sagrada. See your health care provider prior to use if: Pregnant or nursing, any medical condition exists, or when taking any medication. Read and follow recommendation carefully. Do not use if diarrhea, loose stools, or abdominal pain are present or develop. Not intended for prolonged use. Use of this product may worsen these conditions and be harmful to your health. Chronic diarrhea can result in serious illness.

Warning: May cause allergic reaction in persons sensitive to labeled or ingested psyllium.

Balanced nutrition and regular exercise will maximize the function of this product.

Nature's Sunshine uses natural source materials in its products that are subject to color variation.
