

Fatigued to Fantastic!

For optimum energy and mental clarity!*

Jacob Teitelbaum, M.D., best-selling author of *From Fatigued to Fantastic!* and the nation's leading energy expert, directed the development of *Fatigued to Fantastic!* to create a solid foundation for vitality, health, and sustained energy.* While each individual ingredient in *Fatigued to Fantastic! Energy Revitalization System Berry Splash* provides significant nutritional support for healthy energy metabolism, it is theorized that when they are taken together synergistic effects will be noted.*

- Delivers the benefits of over 40 vitamins, minerals and nutrients for sustained energy*
- Replaces the equivalent of over 30 tablets and capsules a day
- Includes Daily Energy B Complex conveniently in the drink mix for peak energy and endurance*
- Features malic acid, which stimulates the complete burning of fuel for energy and supports healthy connective tissue and muscle functioning*
- Also contains key nutrients including: **choline** for mental alertness, **amino acids** essential to metabolism and immune health, and **antioxidants** for protection from free-radical damage*

Dr. Teitelbaum's royalties are donated to charity.
