● **NEO-3™** process utilizes lipase enzymes to naturally enrich EPA and DHA concentrations, while virtually eliminating contaminants, and helps to deliver a clean taste.

Recommended adult intake: One teaspoon (5 ml) taken twice daily with meals or as professionally directed.

Plant sterols can form cloudy suspensions when mixed with nutritional oil, this is perfectly normal and in no way affects the quality of the product. Always shake well before use.

Vacuum-sealed for your protection and for product freshness. Do not use if outer seal is missing or broken. Refrigerate after opening.

Keep out of reach of children.

FINEST PURE FISH OIL

WITH PLANT STEROLS
and essential oil of orange
essential fatty acid supplement

Pack size: 10.1 fl oz (300 ml)
