

FA37-225

Essential Fatty Acid Supplement

● NEO-3™ process utilizes lipase enzymes to naturally enrich EPA and DHA concentrations, while virtually eliminating contaminants, and helps to deliver a clean taste.

Recommended Dose: Adults and Adolescents (9 years and older): Take two teaspoons two times daily with meals, or as professionally directed. **Children (1-8 years):** Take two teaspoons once daily with a meal, or as professionally directed. If preferred, high DHA berry frutol can be mixed with juice or water. Vacuum-sealed for your protection and for product freshness. Do not use if outer seal is missing or broken. Shake well before each use. Refrigerate after opening.
