

Suggested Usage: Take 1 softgel 1 to 2 times daily with food.

Tocotrienols are members of the Vitamin E family with unique biological activities.* Tocotrienols are powerful free radical scavengers that may help to promote normal arterial function, healthy cholesterol metabolism, and brain and liver health.* The patented self-emulsifying oral delivery system utilized in this product was developed to overcome the typically poor absorption of Tocotrienols, enhancing bioavailability up to 300%.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Not manufactured with yeast, wheat, gluten, soy, corn, milk, egg, fish or shellfish ingredients. Produced in a GMP facility that processes other ingredients containing these allergens.

Caution: For adults only. Consult physician if pregnant/nursing, taking medication, or have a medical condition. Keep out of reach of children.

Do Not Eat Freshness Packet. Keep in Bottle.

Natural color variation may occur in this product.
