

CARDOL

essential fatty acid supplement

Pack size: 10.1 fl oz (300 ml)

NEO-3™ process utilizes lipase enzymes to naturally enrich EPA and DHA concentrations, while virtually eliminating contaminants, and helps to deliver a clean taste.

Recommended adult intake: One teaspoon (5 ml) taken twice daily with meals, or as professionally directed. Can be taken in water or juice or directly into the mouth.

Vacuum-sealed for your protection and for product freshness. Do not use if outer seal is missing or broken. Refrigerate after opening.

Keep out of reach of children.
