HIGH EPA FINEST PURE FISH OIL

essential fatty acid supplement
natural orange flavor

Pack size: 5.1 fl oz (150 ml)

CRYO-3 utilizes a fractional super-cooling process to naturally enrich EPA and DHA concentrations, while virtually eliminating contaminants, and helps to deliver a clean taste.

Recommended intake: Adults and adolescents (9 years and older):

One teaspoon (5 ml) taken daily with a meal or as professionally directed.

Like extra virgin olive oil, High EPA Finest Pure Fish Oil may occasionally become cloudy in cold conditions. This is perfectly normal and in no way affects the quality of the oil. If warmed, the cloudiness will disappear.

Vacuum-sealed for your protection and for product freshness. Do not use if outer seal is missing or broken. Refrigerate after opening.

Keep out of reach of children.
