

Poly-MVA is a uniquely formulated combination of Minerals, Vitamins and Amino acids designed to support cellular energy production and promote overall health by replacing certain nutrients that may be depleted during chemotherapy and radiation.*

Directions for use: As a dietary supplement for adults take one-half teaspoon daily. For maximum support take up to eight teaspoons daily or as directed by your health care professional. Shake well before using. May mix with water or juice to reduce taste. Store in cool dry place or refrigerate after opening. The use of nicotine will reduce the effectiveness of this product.

CAUTION: As with any dietary supplement, seek advice from a health care practitioner prior to use if you are pregnant, nursing or have any medical complications.

* These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
