SACCHAROMYCES BOULARDII

probiotic supplement

Recommended intake: Adults and children (6 years and older): One capsule taken twice daily, at least 2-3 hours before or after taking antibiotics, or as professionally directed.

Risk information: If you have an immune-compromised condition, do not use. If symptoms of digestive upset occur, worsen, or persist beyond three days, discontinue use and consult your healthcare practitioner.

Safety-sealed for your protection and for product freshness. Do not use if outer seal is missing or broken. Store under refrigeration (below 46°F).

Keep out of reach of children.
