

Recommended Adult Dose: Add water or juice to one tablespoon of Vite Min Mix and mix. Take twice daily with meals, or as recommended by your healthcare practitioner. For use beyond six months, consult your healthcare practitioner. **Risk Information:** If you are taking medication to treat blood coagulation disorders, do not use. If you are pregnant or breastfeeding; or if you are taking any medication, including medications for diabetes, consult your healthcare practitioner prior to use. People sensitive to nicotinic acid may experience flushing of the skin that is generally mild and transient. **Guaranteed** to contain no added wheat, yeast, gluten, artificial coloring or flavoring or dairy products. **Quality Assurance:** Safety-sealed for your protection and for product freshness. Do not use if outer seal is missing or broken. Store in a cool, dry place. **135**
