Herbal Supplement

Recommended adult intake: One capsule taken daily with a meal or as professionally directed.

Risk information: If you are pregnant or breastfeeding; if you are allergic to salicylates; if you have asthma, glucose-6-phosphate dehydrogenase deficiency or a bile duct obstruction, do not use. If you are taking anti-inflammatory agents, antiplatelet medication, blood thinners or antibiotics or before having surgery; if you have gastrointestinal lesions/ulcers, gallstones, excess stomach acid or severe liver or renal dysfunction, consult your healthcare practitioner prior to use. If symptoms persist or worsen, consult your healthcare practitioner. Hypersensitivity/allergy, nausea, vomiting, and diarrhea have been known to occur, in which case discontinue use.

Safety-sealed for your protection and for product freshness. Do not use if outer seal is missing or broken. Store in a cool, dry place.

Keep out of reach of children.
