

Natrol® Soy Isoflavones provides menopause relief by naturally relieving hot flashes & night sweats. The amount of soy isoflavones necessary to achieve health benefits can be difficult to incorporate into today's diet. Because of this, Natrol offers supplementation to help maintain your well being throughout the various stages of life. Natrol Soy Isoflavones is made from non-GMO soy. Contains at least 35% of Daidzein complemented with Genistein and Glycitein.[†]

Consult your healthcare professional prior to use if you have or suspect a medical condition, are taking prescription drugs, or are pregnant or lactating. People with allergies to soy should consult their healthcare professional before taking this product.
