Product of U.S.A.

The urinary system works in conjunction with the lungs, skin and intestines to remove waste from the body, while also working to reabsorb water, salts, proteins, glucose and other nutrients that are essential for optimal health. An unhealthy urinary tract may result in conditions such as infection, incontinence, kidney stones or other more serious diseases. The ingredients in this 30 day **Urinary System** program are formulated to support and nourish the organs of the body's filtration process.*

By understanding our body's intricate and harmonious systems we can improve our own health and vitality, and share this wisdom with those we love.

Urinary Maintenance: Is an herbal combination that supports the delicate fluid and mineral balance controlled by the kidneys, and helps promote proper urinary function. This formula also contains adaptogens that help the body adapt to stress.*

Combination Potassium: Provides necessary potassium that helps maintain fluid and electrolyte balance in the body, and is a critical component of the filtration and excretion process.*

KB-C TCM: A traditional Chinese Formulation that helps the kidneys to remove toxins while protecting water-soluble minerals that support bone integrity. This formula also helps maintain the body's proper acid/alkaline balance.*

Urinary System

Supports the Body's Filtration Process

DIETARY SUPPLEMENT - 30 DAY PROGRAM

60 PACKETS - (240 Capsules)

El sistema urinario actúa junto con los pulmones, la piel y los intestinos, para remover los desperdicios del cuerpo, mientras que reabsorbe agua, sales, proteínas, glucosa y otros nutrientes que son esenciales para tener una salud óptima. El tener un tracto urinario en malas condiciones de salud puede resultar en condiciones tales como infecciones, incontinencia, piedras en los riñones u otras enfermedades más serias. Los ingredientes en este programa de 30 días para el **Urinary System** están formulados para apoyar y nutrir los órganos encargados del proceso de filtración en el cuerpo.*

Al entender los intrincados y armoniosos sistemas del cuerpo podemos mejorar nuestra propia salud y vitalidad, y compartir este conocimiento con nuestros seres queridos.

Urinary Maintenance: Es una combinación herbácea que apoya el delicado equilibrio de los líquidos y minerales, controlado por los riñones, y ayuda a promover la función urinaria apropiada. Además, esta fórmula contiene hierbas adaptógenas, que ayudan al cuerpo a adaptarse al estrés.*

Combination Potassium: Provee potasio para mantener el equilibrio de los líquidos y electrolitos en el cuerpo, y es un componente importante para los procesos de filtración y excreción.*

KB-C TCM: Una combinación china que ayuda a los riñones a remover las toxinas mientras que protege los minerales solubles en agua que apoyan la integridad ósea. Esta fórmula además mantiene el equilibrio apropiado de la acidez y alcalinidad del cuerpo.*
