ADVISORY BOARD

Vegetable sourced Neolife vitamin C products with **Neo-Plex Concentrate** contain the phytonutrient spectrum of whole oranges, assuring that you receive vitamin C just as nature intended. Rose hips, Acerola cherry and other phytonutrients are also included to support maximum utilization of vitamin C. Deliciously sweet, with the same sugars in the same ratios as a section of whole orange.

Vitamin C provides antioxidant activity, and is critical in the formation and maintenance of connective tissue. Vitamin C also supports proper functioning of the immune system.*

Store in a cool, dry place, away from direct sunlight.

Packaged with safety seal.

SUGGESTED USE: 1 chewable tablet daily.
