digestion and optimum nutrient availability.*
digestive agents promote healthy, stress-free support from lipase and dehydrochloric acid. These amylase, and dietary fats are digested with acids. Carbohydrate breakdown is enhanced with Beta-Zyme® consists of Beta-Gest® (two tablets) and Enzyme (three tablets), which contain protein-digesting enzymes and hydrochloric acid, that assist with the breakdown of protein into amino acids. Carbohydrate breakdown is enhanced with amylase, and dietary fats are digested with

Made from plant-sourced enzymes plus other naturally sourced ingredients, non habit-forming Beta-Zyme® addresses the causes of stomach and intestinal indigestion and not just the symptoms.*
Beta-Zyme® consists of Beta-Gest® (two tablets) and Enzyme (three tablets), which contain protein-digesting enzymes and hydrochloric acid, that assist with the breakdown of protein into amino acids. Carbohydrate breakdown is enhanced with amylase, and dietary fats are digested with

A comprehensive digestant that supplements the body's natural digestive secretions, Beta-Zyme® supports optimal digestion and helps maximize nutrient availability, while minimizing digestive discomfort.*

NEOLIFE®

Beta-Zyme

SUGGESTED USE: Adults take 1 packet immediately before or with a meal.

Serving Size: 1 Packet
Servings Per Container: 30
