Other ingredients: D-fructose, citric acid, DL-malic acid, natural orange flavor, sodium bicarbonate, orange juice powder, maltodextrin (potato), silica, L-tartaric acid, glycine, annatto extract, beta-carotene

Recommended adult intake: In a glass, add water to one sachet of powder and mix. One sachet taken daily with a meal, a few hours before or after taking other medications, or as professionally directed.

Risk information: If you have an immune-compromised condition, do not use. If symptoms of digestive upset occur, worsen or persist beyond three days, discontinue use and consult your healthcare practitioner.

Safety-sealed for your protection and for product freshness. Do not use if sachet has been tampered with. Store in a cool, dry place.

Keep out of reach of children.

HLC IMMUNITY + PRO

vitamin and probiotic supplement

natural orange flavor

Pack size:
30 - 0.3 oz (8.42 g) sachets of powder [Net Wt 8.9 oz (253 g)]

✓ **Human Lactic Commensals (HLC) probiotic strains are research-driven and clinically proven in randomized, double-blind, placebo-controlled human trials at 10 billion CFU per day. Proprietary non-pathogenic human-sourced microflora bacterial strains are utilized as they have strong epithelial adherence and a naturally high tolerance to stomach acid.**
