

Cod liver oil is rich in vitamin A which plays a role in maintaining normal vision, reproductive functions, and a healthy immune system. It also is a significant source of vitamin D which is needed for proper bone mineralization.*

A trusted and time-tested dietary supplement, cod liver oil is a natural source of vitamins A and D, plus a particularly beneficial ratio of fatty acids. We specify only the finest, high purity cod liver oil harvested in the glacier-fed waters of the North Atlantic. Sealed in soft gelatin capsules to avoid any "fishy" taste, we insure that you receive only the freshest, highest potency cod liver oil possible.

Store in a cool, dry place, away from direct sunlight.

Packaged with safety seal.
