

SUGGESTED USE: (adults) 2 tablets daily.

The body's energy production processes require iron, chromium, and magnesium. Vitamin B-12, copper, potassium, and selenium are critical for healthy nerve function.*

* These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Liver is naturally rich in protein, B-complex vitamins (especially B-12), iron, chromium, magnesium, copper, selenium, potassium and other vital trace minerals. A densely nutritious food, liver provides a synergistic array of nutrients, shown to work together with energetic results. GNLD adds vitamin C and Neo-Plex Concentrate to enhance nutrient absorption and protect whole food components from oxidation.

Store in a cool, dry place, away from direct sunlight. Packaged with safety seal.
