# HLC IMMUNOBIOTICS

pharmax

pharmax

**Recommended adult intake:** One capsule taken two times daily with meals, a few hours before or after taking other medications, or as professionally directed.

**Risk information:** If you have an immune-compromised condition or if you are allergic to plants of the Asteraceae/Compositae/Daisy family, do not use. If you are pregnant or breastfeeding; if you are allergic to bee products, poplar tree products or balsam of Peru; if you have a history of non-melanoma skin cancer, consult your healthcare practitioner prior to use. If symptoms of digestive upset occur, worsen or persist beyond 3 days, discontinue use and consult your healthcare practitioner. Increased or irregular heart rate and rhythm have been known to occur, in which case discontinue use and consult your healthcare practitioner. Hypersensitivity, such as allergy, has been known to occur, in which case discontinue use immediately. Safety-sealed for your protection and for product freshness. Do not use if the blister pack has been tampered with. Store in a cool, dry place. Keep out of reach of children.

# HLC IMMUNOBIOTICS

## IMMUNE SUPPORT probiotic supplement

✓ **Human Lactic Commensals (HLC) probiotic strains are research-driven and clinically proven in randomized, double-blind, placebo-controlled human trials at 25 billion CFU per day. Proprietary non-pathogenic human-sourced microflora bacterial strains are utilized as they have strong epithelial adherence and a naturally high tolerance to stomach acid.**

Pack size: 30 vegetable capsules

## Supplement Facts

Serving Size 1 Capsule  
Servings Per Container 30

Amount per serving		%DV
Vitamin C (ascorbic acid)	125 mg	208%
