

ProSol™ Cardiovascular™ is a unique vegetarian supplement that includes pHysioProtease™ and Nattokinase, with synergistic herbs, nutrients and vitamins to help support and maintain healthy vascular and heart function.[†]

Recommended Use: Take two capsules twice daily at least two hours before or after meals with adequate liquid, or as directed by your healthcare professional. Use only if tamper-evident seal is unbroken. Store tightly closed in a cool, dry place. Keep out of reach of children.

This product should be used only under the supervision of a health care practitioner if a condition associated with bleeding exists or anti-coagulant (blood thinning) medications are being taken.

[†]This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, mitigate, cure or prevent any disease.
