Solstic Immune offers daily support to boost the immune system. The human body is constantly being challenged or invaded by pollutants, microorganisms, and harmful emotional and physical stress. **Solstic Immune** contains a blend of vitamins and herbal ingredients known to support and boost the immune system.

Solstic Immune contains:

- **Vitamin C** – antioxidant shown to increase immune system function.
- **Vitamin D₃** – known as the “sunshine vitamin”. Emerging science indicates a link between this vitamin and a healthy immune system.
- **Zinc** – responsible for immune cell function and plays a vital role in the immune system.
- **Proprietary Blend** – containing beta-glucans, echinacea, elderberries, and other nutrient-rich berries historically known to stimulate the immune system.
