Phosphatidyl choline supports key brain functions including memory and muscle control and assists fat metabolism in the liver and throughout the bloodstream. Phosphatidyl inositol supports nerve cell structure and nerve impulse transmission.*

Each 1,200 mg serving of Lecithin delivers important phytonutrients from pure soybean phospholipids. As well as being rich in phosphatidyl choline, this nutritious whole food provides 100% mvo-inositol. the only bio-active form of this nutrient, and 230 mg of other biologically active phosphoglycerides.

This product contains no sucrose, gluten, yeast, corn or milk derivatives.

Store in a cool, dry place, away from direct sunlight. Packaged with safety seal.
