

Recommended Adult Dose: Take one capsule two to three times daily, a few hours before or after taking other medications or healthcare products, or as recommended by your healthcare practitioner. **Risk Information:** Ensure you are up-to-date on mammograms and gynecological evaluations prior to use. If you are pregnant or breastfeeding; if you are taking blood thinners or have protein S deficiency; or if you have allergies to soy or to plants of the Dioscorea family, do not use. If you currently have or previously had breast cancer or breast tumors; if you have a predisposition to breast cancer as indicated by an abnormal mammogram or biopsy, or a family member with breast cancer; or if you have a history of hormonal or gynecological disease, including uterine, endometrial, breast, or ovarian cancer, endometriosis or uterine fibroids, do not use. If you have a liver disorder or develop liver-related symptoms; or if you are taking hormone replacement therapy, including thyroid hormone replacement therapy, consult your healthcare practitioner prior to use. If you experience breast pain, discomfort or tenderness, or if you experience a recurrence of menstruation or uterine spotting, discontinue use and consult your healthcare practitioner. **Warning:** This product has come into contact with soy. Do not use this product if you have a soy allergy. **Guaranteed** to contain no added wheat, yeast, gluten, corn, sodium, sugar, artificial coloring or flavoring, antimicrobial preservatives, dairy or animal products. Ideal for vegans. **The capsules** are made from 100% pure vegetable sources, free of preservatives and additives. **Quality Assurance:** Safety-sealed for your protection and for product freshness. Do not use if outer seal is missing or broken. Store in a cool, dry place.
