

Superior Bioavailability
for Superior Results

Curica® Pain Relief provides superior bioavailability of curcuminoids (from Meriva® turmeric) and AKBA (from AprèsFlex® boswellia) into the bloodstream for long-lasting results.

- **Meriva** is a researched complex of standardized turmeric extract and phosphatidylcholine with up to 29x better bioavailability of total curcuminoids versus an ordinary turmeric extract.
- **AprèsFlex** is a boswellia extract with a standardized potency and enhanced bioavailability of AKBA.

Meriva® is a registered trademark of Indena S.p.A., Milano
AprèsFlex® is a registered trademark of Laila Nutraceuticals
exclusively licensed to PL Thomas - Laila Nutra LLC. U.S. Patent
#8,551,496 and other patents pending.

Keep out of reach of children. Safety sealed with printed outer shrinkwrap and inner seal. Do not use if either is broken or missing. Keep bottle tightly closed.
